# OGDENSBURG BOROUGH PUBLIC SCHOOL FAMILY HANDBOOK

This family handbook is provided to you as an important source of information useful to you as parents, pupils and staff members. Please be sure to review this information with your children so that there is no confusion as to the school's expectations. Your children have been wonderful examples of what a pupil "**should be**" and we only want this exceptional behavior to continue in the future here at Ogdensburg.

The handbook will serve as a guide in the daily functioning of the pupils' life at school. While every attempt has been made to cover all the information that is needed, it isn't possible to cover each and every possible scenario that a pupil or a parent may experience. Individual incidents may require individual consideration or interpretation by the administration.

Please read the entire handbook with your child to become familiar with the rules and regulations included. Please complete the enclosed sign-off sheet and return it to the school as soon as possible. Please contact us with any questions you or your child may have.

Thank you.

Let's have a fantastic school year!!

Sincerely,

Mr. Dave Astor  
Principal/Superintendent

The Ogdensburg Borough Public School District, in partnership with the community, is committed to providing twenty-first century opportunities for the development of the academic, social, and emotional growth of all of our students.

The Ogdensburg Borough Board of Education, district administration, and staff are committed to creating and maintaining a challenging educational program that addresses the individual needs of all students in a positive and safe learning environment. We are striving for dynamic curriculum development, upgrades in technology, and a variety of activities that will provide for differences in student interests and abilities across a comprehensive school program.

Our goal at Ogdensburg School is to be on the move toward higher student achievement, active learning, greater student participation, and a better and safer facility. We are excited about the future of our school and the success of our students. We look forward to this year and to the future.

### 2.5 Attendance

The Board of Education requires that the pupils enrolled in the school attend school regularly in accordance with the laws of the State. The educational program offered by this district is predicated on the presence of the pupil and requires continuity of instruction and classroom participation. The regular contact of pupils with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

A pupil must be in attendance for one hundred sixty or more school days in order to be considered to have successfully completed the instructional program requirements of the grade/course to which he/she is assigned. A waiver of these attendance requirements may be granted for good cause by the school principal upon recommendation of a review committee appointed by him/her, and consisting of representative staff, including pupil service personnel and classroom teachers. No pupil excused for a religious holiday shall be deprived of an award or eligibility to compete for an award or the opportunity to make up a test given on the religious holiday.

## Ogdensburg Borough Public School Family Handbook

**If a pupil is unexpectedly absent due to illness or another reason, parents should contact the school nurse (973-827-7126 ext. 103) between 7:45 and 8:30 that morning.** The nurse will call the home of any child absent without notice.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive the pupil of the classroom experience deemed essential to learning and may result in retention at grade level. Pupils shall be subjected to the school district response for unexcused absences during the school year as outlined in N.J.A.C. 6A:16-7.8(a) 4 and Regulation 5200. In addition, unexcused absences from school or from classes within the school day shall subject a pupil to the disciplinary rules of the Board, which may include the denial of a pupil's participation in extracurricular activities and/or athletic competition. Repeated truancies that interfere with efforts of this Board and its staff in the maintenance of good order and the continuity of classroom instruction may result in the suspension or expulsion of any pupil from the course of study during which absences have occurred or the suspension or expulsion in accordance with Policies 5610 and 5620 (Accessed through the About tab at <http://www.obboe.org/>).

### **Excused and Unexcused Absences:**

To view definitions for excused and unexcused absences refer to District Regulation 5200 (<http://www.obboe.org/>). "Unexcused absence" is a pupil's absence for all or part of a school day for any reason other than those listed in District Regulation 5200.

Parents/ Guardians will be notified in writing on the fifth, tenth, and fifteenth days of their child's absenteeism.

### **2.6 Excessive Tardiness**

The Board of Education believes that promptness is an important element of school attendance and a foundation for career and life readiness. Pupils who are late to school or to class miss essential portions of the instructional program and create disruptions in the academic process for themselves and other pupils. Tardiness to school or class that is caused by a pupil's illness, an emergency in the pupil's family, the observance of a religious holiday, a death in the pupil's family, or by the pupil's compliance with a request or directive of an administrator will be considered justified and is excused. *All other incidents of tardiness will be considered unexcused.* Letters will be sent home regardless of a student being excused or unexcused for district attendance purposes.

Any student arriving after 8:10 a.m., must go to the office to get a late pass.

**A pattern of unexcused tardiness will result in and include the following:**

**5<sup>th</sup> tardy A letter sent to parent.**

**10<sup>th</sup> tardy A letter sent to parent. Lunch Detention for every tardy 10-14 days.**

**15<sup>th</sup> tardy A letter sent to parent. One after-school detention for every tardy 15-19 days.**

**20<sup>th</sup> tardy A letter sent to parent. Possible In-School Suspension.**

### **2.7 Visitors or Visiting during School Hours**

Visitors are to enter the building through the main entrance located in the front of the building. Use the intercom ID system outside the main door to the school to identify yourself to the office staff and report directly to the office. Please be prepared to show identification if requested.

## Ogdensburg Borough Public School Family Handbook

**When visiting a classroom for a special school activity every parent/guardian or visitor must sign in at the main office, regardless of prior arrangements made with teachers or staff.** We ask that you also include any children (**siblings or others**) who may be accompanying you. This will assist us in documenting all persons in the building in case of an emergency. Also, please pick up a visitor's badge in the office and wear it prominently when you are in the school building. **It is also imperative to sign out when leaving the building.**

If parents/guardians wish to speak to any member of the staff, they are asked to call the office. Communication will be set up at the earliest convenience for all concerned.

### **2.8 After School Activities**

Pupils who sign up for **school-sponsored activities** will be asked to have a permission slip signed by their parent/guardian. Pupils will then receive a schedule for the event or activity. Once a blanket permission slip is received, no further permission is required and daily notes are not necessary. Pupils and parents should maintain the schedule for the activity or events. Pupils are under adult supervision during all school programs, during which parents or guardians are not typically required.

All pupils in good disciplinary and academic standing\*\* shall have equal access to all extracurricular activities. Good disciplinary standing means a pupil is not eligible to participate while serving a detention or suspension. Pupils who serve repeated detentions or suspensions or a combination of the two during one term may be found ineligible to participate.

**\*\*PLEASE NOTE: All students participating in any extracurricular activities must maintain a minimum grade of a "C" in all subject areas.**

**Pupils not involved in the activity may not stay to watch a game or a practice without a parent/guardian present, even with a note.** Staff members are not available for the supervision of pupils who are not directly involved in the activity.

***Pupils in the school building after 3:05 pm must be supervised by a parent or guardian at all times. Pupils may not enter classrooms if the teacher is not available.***

### **2.9 Emergency Closings (i.e. Snow Days etc.)**

Announcements will be made by 6:30 am. Whenever conditions allow (road, projected weather forecast, amount of snow accumulation, etc.) we will attempt a delayed opening rather than a school closing. Please listen to the local radio station, WSUS 102.3FM, or visit the school website (<http://www.obboe.org/>), for announcements of total closings, delayed openings, or early dismissals.

Ogdensburg Borough Public School also employs the Honeywell Instant Alert System for any emergency messages. Parents who do not receive an instant alert regarding any school emergencies should notify the main office. *Parents should instruct their children on the procedure they are to follow in the event of a delayed opening or an early closing.*

## Ogdensburg Borough Public School Family Handbook

### 2.10 Parking and Transportation Procedures

Only buses are permitted in front of the building at dismissal. Each student is personally responsible for maintaining a safe and appropriate environment while riding the bus.

All other vehicles must utilize the north and south parking lots. Please do not block areas of moving traffic. If you have business in school at dismissal, do not park in the traffic lanes and especially NOT in the Fire Zone.

Students are permitted to ride bicycles to school. Bikes are to be walked onto the school grounds and secured by lock on the bike rack. Skateboards are **NOT** to be used on school property at any time.

**Helmets are required per New Jersey Law.**

Also please note:

- Traffic into the school parking lot moves in one direction only, coming from the Passaic Avenue entrance.
- Traffic leaving the school parking lot exits onto Route 517.
- There is a NO PARKING ZONE in front of the school building between the stairways.
- Parents driving students to school should not park cars in visitor areas and wait for their children to enter the school, as this creates a traffic jam for school busses and parents dropping the children off.
- The north lot will be open for dismissal at 2:30 PM.
- Please do not leave your car idling.

### 2.11 School Cafeteria

Monthly menus will be sent home and posted on the website ([www.obboe.org](http://www.obboe.org)). Also remember that on scheduled half days, lunches will not be served.

If forgotten, the student can charge lunch. Prices can be found on the cafeteria menu.

**Free and Reduced Lunch-** Students who were receiving free or reduced lunch during the previous school year may get the same until new applications are approved, not later than the October 1<sup>st</sup> review date.

Cafeteria behavior: *Failure of an individual to abide by the school rules will result in disciplinary action.*

### 2.12 School Accident Insurance

The Ogdensburg Borough Board of Education does not have insurance for students during their time in school. The Ogdensburg Borough Public School makes available an accident insurance plan on an annual basis. Detailed information is sent home at the beginning of each school year. This plan is made available to families as a service only. Parents are under no obligation to purchase it. If interested, completed forms should be returned to the main office as soon as possible.

### 2.13 Legal Issues – Parent Responsibilities

Child custody issues and legal issues including restraining orders, which may impact your child at school, should be brought to the attention of the administration at the beginning of each school year. You will

## Ogdensburg Borough Public School Family Handbook

need to submit copies of legal documentation. These documents are not public knowledge and will remain confidential. Teachers will be informed especially as it impacts restraining orders. *If dual copies of school information (report cards, progress reports, lunch menus etc.) are needed, please contact the main office.*

### **2.14 Lost & Found**

Recovered items may be found in the hallway across from the cafeteria. To avoid loss, PLEASE label ALL personal belongings. Pupils should NOT bring items of significant sentimental or monetary value to school except where their use is for pre-approved, instructional purposes. The cost of replacing such items, if lost or stolen, will be at the individual's expense.

### **2.15 Classroom Environment (Allergy)**

Cooperation between teachers, parents, and students is necessary to create a safe environment for those with food allergies. Commercial products in original wrappers are preferred, so that the ingredients can be easily read. A complete copy of the recipe must accompany homemade foods. If written information is not provided, the food item will not be served. Healthy snacks such as fruits and vegetables, are always considered a safe option.

### **2.16 Class Events**

All events taking place in the classroom must be approved by the appropriate teacher.

### **2.17 Preschool**

Ogdensburg Borough Public School has a tuition based preschool program for residents and nonresidents. Contact the main office for more information. .

## **3. ADMINISTRATIVE RULES AND REGULATIONS**

### **3.1 Phones**

The use of cell phones by pupils at Ogdensburg Borough Public School is **prohibited**. Valuable items such as cell phones and tablets should be left at home. Pupils are not permitted to use cellular phones while school is in session. Cellular telephones **must be turned off** while the pupil is in the building during the school day and be kept in the student's backpack in the classroom. Phones may only be turned on after school has concluded for the day (3:10 pm).

Faculty or staff may grant permission for pupils to use the telephone at their discretion. **Forgetting a homework assignment, gym bag or lunch are not considered emergencies.** These phone calls must be made in the main office.

**First cell phone violation**, the pupil may pick up their cell phones from the **Teacher** at the end of the day. **Subsequent violations** will require parents to pick up the cell phone in the main office and detentions will be assigned. **Repeat offenders** will require further disciplinary action (see **Insubordination and Willful Disobedience**) and will be prohibited from bringing a cell phone to school in the future. With improper use of a cell phone during the school day, the school reserves the right to search the content of the phone. It is the parent's responsibility to ensure that their child complies with this policy.

### 3.2 Busing and Bus Safety

- Show respect for the driver at all times;
- Enter and leave the bus in an orderly manner;
- Ride only the bus to which they have been assigned;
- Remain seated with seatbelts fastened at all times while the bus is in motion;
- Avoid reckless and boisterous activity at all times, including during wait times at pickup points;

- Keep head, hands, and objects inside the bus.
- Keep aisles clear at all times.
- Refrain from bringing animals or bulky, unmanageable projects onto the school bus;
- Refrain from smoking, eating, and drinking on the bus; and
- Possess, use, or distribute no substance in violation of Policy No. 5530.

### 3.3 Crisis Management

The Ogdensburg Borough Public School maintains a Crisis Management Plan. Periodic revisions to the plan reflect our increased concern for the safety of the children on a variety of fronts. The plan recognizes the need to provide for the safety and health of our pupils and staff as well as the need to provide parents with accurate information and support. Our plan addresses hazardous spills, bomb threats, death of a pupil or staff member, an intruder in the building, bus accidents, sudden inclement weather and fire.

In an emergency situation where we evacuate the building, you or your emergency contact designee will receive a call from the Honeywell Alert System notification system. The call will provide you with limited but vital information. You will be requested **not to** come to the school but will be instructed to proceed to our off-site evacuation location. We ask for your cooperation at that site so that everyone can be picked up safely. We will assign runners to bring your child to the exit area of the evacuation facility. This safely limits the number of people entering the building and will allow for pupil accountability. Clearly, we hope that no such occasion will warrant evacuation, but we are prepared for that event.

### 3.4 Security Drills

#### **Updated per new state law (18A:41-1)**

Security drills will be conducted twice a month throughout the school year. A Security Drill can include a Fire Drill, Lockdown (threat outside of building), Lockdown (threat inside of building), and bomb threat or non-fire Evacuation rehearsal. The signal for a fire (drill) is an intermittent long bell. Everyone is expected to leave the building during this drill. Pupils form a single line and walk quietly out of the building according to posted exit information in each classroom. Pupils not with their class at the time of a fire alarm signal (in the hallway or lavatory, etc.) **are not** to attempt to return to their classroom. They are to immediately go to the nearest exit and report directly to a teacher or administrator. All pupils are to remain quiet and attentive for any further instructions or directives. Pupils will reenter the building only upon the direction of the administrator or teacher in charge. During a Lockdown, an announcement will be made over the PA system stating that the building is conducting a lockdown drill. Students and faculty are expected to follow school-wide procedures. Complete silence is expected. Non-fire evacuations will be announced and students are expected to leave the building quietly and with their class in a single line to their designated area. All pupils are to remain quiet and attentive for any further instructions or directives. Pupils will reenter the building only upon the direction of the administrator or teacher in charge. Failure to follow appropriate security drill procedures will result in disciplinary action.

A pupil found guilty of academic dishonesty may be subjected to a full range of penalties including, but not limited to, reprimand and loss of credit for all of the work that is plagiarized. (See **3.6 Conduct and Discipline**: Cheating)

### **3.6 Conduct, Discipline, and Acceptable Use Policy (AUP)**

Cough drops, lozenges, etc., are not allowed, as they may constitute a safety hazard. As an alternative, a parent may bring in medication and administer it to the child in the presence of the school nurse. No other adult may administer medication to a student. Board policy 5330 outlines the requirements.

**Immunizations-** New enrollees will not be admitted without their complete immunization record as directed by the school nurse.
