Mr. David Astor, Superintendent
Ogdensburg School District
dastor@obhoe.org

Dear Mr. Astor:

In March 2016, the Department issued an evaluation of the Ogdensburg School District pursuant to the requirements of N.J.A.C. 6A:30, the Quality Single Accountability Continuum (QSAC). At that time, the district was placed on a continuum in each of the areas evaluation in the district performance review (DPR): instruction and program, fiscal management, governance, operations and personnel.

Following that initial evaluation, the district developed an improvement plan to address noncompliant areas in instruction and program; the plan was approved in September 2016. Staff from the Sussex County Office of Education conducted an interim review of the district's progress in March 2017. Two additional interim reviews were conducted. Listed below are the initial placement and interim review placement scores for your district:

QSAC Areas	Initial Placement (3/2016)	Interim Review Placement (3/2017)	Interim Review Placement (9/2017)	Interim Review Placement (5/2018)
Instruction and Program	72%	72%	72%	74%
Fiscal Management	100%	100%	100%	100%
Governance	100%	100%	100%	100%
Operations	100%	100%	100%	100%
Personnel	100%	100%	100%	100%

These placement results will be provided to the State Board of Education at an upcoming meeting. Please be advised that QSAC regulations require your board of education to report these placement results at the next regularly scheduled board meeting.

Since the district has still not satisfied at least 80% of the weighted indicators in the area of instruction and program, you are directed to continue to implement the current district improvement plan (DIP), using the most recent statewide assessment results data. The Executive County Superintendent will conduct the next review in School Year 2018-19; the scope of that review will be determined.

Sincerely,

Robert L. Bumpus
Assistant Commissioner, Division of Field Services
